HOUSE BILL NO. 1266
(Representatives R. Kelsch, L. Meier, Sitte)
(Senators Cook, O'Connell, Stenehjem)

AN ACT to create and enact a new subsection to section 54-52.6-02 of the North Dakota Century Code, relating to returning to employment after retirement under the public employees retirement system defined contribution retirement plan; to amend and reenact subsection 1 of section 54-52-05 of the North Dakota Century Code, relating to returning to employment after retirement under the public employees retirement system defined benefit retirement plan; and to declare an emergency.

BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:

SECTION 1. AMENDMENT. Subsection 1 of section 54-52-05 of the North Dakota Century Code is amended and reenacted as follows:

1. Every eligible governmental unit employee concurring in the plan must so state in writing and all future eligible employees are participating members. An employee who was not enrolled in the retirement system when eligible to participate must be enrolled immediately upon notice of the employee's eligibility, unless the employee waives in writing the employee's right to participate for the previous time of eligibility, to avoid contributing to the fund for past service. An employee who is eligible for normal retirement who accepts a retirement benefit under this chapter and who subsequently becomes employed with a participating employer other than the employer with which the employee was employed at the time the employee retired under this chapter may, before reenrolling in the retirement plan, elect to permanently waive future participation in the retirement plan and the retiree health program and maintain that employee's retirement status. An employee making this election is not required to make any future employee contributions to the public employees retirement system nor is the employee's employer required to make any further contributions on behalf of that employee.

SECTION 2. A new subsection to section 54-52.6-02 of the North Dakota Century Code is created and enacted as follows:

A former participating member who has accepted a retirement distribution pursuant to section 54-52.6-13 and who subsequently becomes employed by an entity different from the employer with which the member was employed at the time the member retired but which does participate in any state-sponsored retirement plan may, before reenrolling in the defined contribution retirement plan, elect to permanently waive future participation in the defined contribution retirement plan, whatever plan in which the new employing entity participates, and the retiree health program and maintain that member's retirement status. Neither the member nor the employer are required to make any future retirement contributions on behalf of that employee.

SECTION 3. EMERGENCY. This Act is declared to be an emergency measure.
