29 benefit payments beginning before the normal retirement date, as determined
30 under subsection 3. Except for a national guard security officer or firefighter, a
31 dispatcher, emergency medical services personnel, firefighter, peace officer, or

1 correctional officer employed by a political subdivision, a dispatcher or peace
2 officer employed by the state, or a supreme court or district court judge, early
3 retirement benefits for members first enrolled after December 31, 2015, are
4 calculated for single life benefits accrued to the date of termination of
5 employment, but must be reduced by fixed rate of eight percent per year to
6 account for benefit payments beginning before the normal retirement date. A
7 retiree, other than a supreme or district court judge, is eligible for early retirement
8 benefits only after having completed three years of eligible employment. A
9 supreme or district court judge retiree is eligible for early retirement benefits only
10 after having completed five years of eligible employment.

11 ~~g-f.~~ Except for supreme and district court judges, disability retirement benefits are
12 twenty-five percent of the member's final average salary. Disability retirement
13 benefits for supreme and district court judges are seventy percent of final
14 average salary reduced by the member's primary social security benefits and by
15 any workforce safety and insurance benefits paid. The minimum monthly
16 disability retirement benefit under this section is one hundred dollars.

17 5. Upon termination of employment after completing three years of eligible employment,
18 except for supreme and district court judges, who must complete five years of eligible
19 employment, but before normal retirement date, a member who does not elect to
20 receive early retirement benefits is eligible to receive deferred vested retirement
21 benefits payable commencing on the member's normal retirement date in one of the
22 optional forms provided in subsection 9. Members who have delayed or inadvertently
23 failed to apply for retirement benefits to commence on their normal retirement date
24 may choose to receive either a lump sum payment equal to the amount of missed
25 payments, or an actuarial increase to the form of benefit the member has selected,
26 which increase must reflect the missed payments.

27 6. If before retiring a member dies after completing three years of eligible employment,
28 except for supreme and district court judges, who must have completed five years of
29 eligible employment, the board shall pay the member's account balance to the
30 member's designated beneficiary as provided in this subsection. If the member has
31 designated an alternate beneficiary with the surviving spouse's written consent, the

board shall pay the member's account balance to the named beneficiary. If the member has named more than one primary beneficiary, the board shall pay the member's account balance to the named primary beneficiaries in the percentages designated by the member or, if the member has not designated a percentage for the beneficiaries, in equal percentages. If one or more of the primary beneficiaries has predeceased the member, the board shall pay the predeceased beneficiary's share to the remaining primary beneficiaries. If any beneficiary survives the member, yet dies before distribution of the beneficiary's share, the beneficiary must be treated as if the beneficiary predeceased the member. If there are no remaining primary beneficiaries, the board shall pay the member's account balance to the contingent beneficiaries in the same manner. If there are no remaining designated beneficiaries, the board shall pay the member's account balance to the member's estate. If the member has not designated an alternate beneficiary or the surviving spouse is the beneficiary, the surviving spouse of the member may select a form of payment as follows:

- a. If the member was a supreme or district court judge, the surviving spouse may select one of the following optional forms of payment:
 - (1) A lump sum payment of the member's retirement account as of the date of death.
 - (2) Payments as calculated for the deceased member as if the member was of normal retirement age at the date of death, payable until the spouse dies.
- b. The surviving spouse of all other members may select one of the following options:
 - (1) A lump sum payment of the member's retirement account as of the date of death.
 - (2) Payment of a monthly retirement benefit equal to fifty percent of the deceased member's accrued single life retirement benefits until the spouse dies.
 - (3) If the member dies on or after the member's normal retirement date, the payment of a monthly retirement benefit equal to an amount that would have been paid to the surviving spouse if the member had retired on the day of the member's death and had selected a one hundred percent joint and

1 survivor annuity, payable until the spouse dies. A surviving spouse who
2 received a benefit under this subsection as of July 31, 1995, is entitled to
3 the higher of that person's existing benefit or the equivalent of the accrued
4 benefit available under the one hundred percent joint and survivor provision
5 as if the deceased member were of normal retirement age, with the increase
6 payable beginning August 1, 1995.

7 7. If a member not coming under the provisions of subsection 6 terminates employment
8 because of death, permanent and total disability, or any voluntary or involuntary
9 reason prior to retirement, the member or the member's designated beneficiary is
10 entitled to the member's account balance at termination. The board automatically shall
11 refund a member's account balance if the member has completed less than three
12 years of eligible employment, has an account balance of less than one thousand
13 dollars, and was not a supreme or district court judge. If the member was a supreme
14 or district court judge, the board automatically shall refund a member's account
15 balance if the member completed less than five years of eligible employment. A
16 member may waive the refund if the member submits a written statement to the board,
17 within thirty days after termination, requesting that the member's account balance
18 remain in the fund.

19 8. The surviving spouse of a member receiving retirement benefits must be the
20 member's primary beneficiary unless there is no surviving spouse or the surviving
21 spouse designates an alternate beneficiary in writing. If a member receiving retirement
22 benefits or the member's surviving spouse receiving retirement benefits dies before
23 the total amount of benefits paid to either or both equals the amount of the member's
24 account balance at retirement, the difference must be paid to the named beneficiary of
25 the recipient or, if there is no named beneficiary, to the recipient's estate. A benefit
26 payment owed to the member, surviving spouse, or alternate beneficiary which was
27 not paid before the death of the member, surviving spouse, or alternate beneficiary
28 must be paid to the named beneficiary of the recipient or, if there is no named
29 beneficiary, to the recipient's estate.

30 9. The board shall adopt rules providing for the receipt of retirement benefits in the
31 following optional forms:

- 1 a. Single life.
- 2 b. An actuarially equivalent joint and survivor option, with fifty percent or one
- 3 hundred percent options.
- 4 c. Actuarially equivalent life with ten-year or twenty-year certain options.

- 6 maximum lump sum distribution.
- 7 e. An actuarially equivalent graduated benefit option with either a one percent or
- 8 two percent increase to be applied the first day of January of each year.
- 9 Except for supreme and district court judges, unless a member specifically requests
- 10 that the member receive benefits according to one of these options at the time of
- 11 applying for retirement, all retirement benefits must be in the form of a single life
- 12 benefit. For supreme and district court judges, unless a member specifically requests
- 13 that the member receive benefits according to one of these options at the time of
- 14 applying for retirement, all retirement benefits must be in the form of a lifetime monthly
- 15 pension with fifty percent of the benefit continuing for the life of the surviving spouse, if
- 16 any.
- 17 10. The fund may accept rollovers from other eligible plans under rules adopted by the
- 18 board for the purchase of additional service credit, but only to the extent the transfer is
- 19 a rollover contribution that meets the requirement of section 408 of the Internal
- 20 Revenue Code.
- 21 11. The board may accept trustee-to-trustee transfers as permitted by Internal Revenue
- 22 Code section 403(b)(13) and section 457(e)(17) from an Internal Revenue Code

- 24 plan for the purchase of permissive service credit, as defined in Internal Revenue
- 25 Code section 415(n)(3)(A) or as repayment of a cashout from a governmental plan
- 26 under Internal Revenue Code section 415(k)(3).
- 27 12. The board may establish individual retirement accounts and individual retirement
- 28 annuities as permitted under section 408(q) of the Internal Revenue Code to allow
- 29 employees to make voluntary employee contributions. The board may adopt rules to
- 30 implement and administer the accounts and annuities under this section.
