SECTION 6. AMENDMENT. Section 1 of chapter 55 of the 2021 Session Laws is amended and reenacted as follows:

**~~SECTION 1. APPROPRIATION - FEDERAL CORONAVIRUS CAPITAL~~
~~PROJECTS~~STATE FISCAL RECOVERY FUND - INTERMODAL FACILITY
CONSTRUCTION GRANT PROGRAM - ONE-TIME FUNDING.**

There is appropriated from federal funds derived from the ~~federal coronavirus capital projects~~state fiscal recovery fund, not otherwise appropriated, the sum of \$2,000,000, or so much of the sum as may be necessary, to the agriculture commissioner for the purpose of an intermodal facility grant program for capital construction projects that will expand rail capacity to support economic and workforce development and growth and enhance the value of agriculture and commercial products exported through an intermodal facility in North Dakota for the period beginning with the effective date of this Act and ending June 30, 2023. This funding is considered a one-time funding item.

1. The agriculture commissioner shall establish guidelines for awarding grants under the program.
2. Grants may be awarded only to an organization dedicated to the expansion of rail capacity at an existing intermodal facility in the state connected to and served by a class I railroad. Grant funds may be used only to pay for capital costs associated with engineering, labor, equipment, and materials related to rail track expansion.
- ~~3. The funding provided under this section may be spent only to the extent the director of the office of management and budget certifies to the legislative management that the use of this funding complies with federal guidelines for the federal coronavirus capital projects fund.~~

SECTION 7. DEPARTMENT OF TRANSPORTATION - FEDERAL STATE FISCAL RECOVERY FUND - TRANSFER - STATE TREASURER. Subdivision 10 of section 2 of House Bill No. 1395, as approved by the sixty-seventh legislative assembly, includes the sum of \$317,000,000 from federal funds derived from the federal state fiscal recovery fund. Of the \$317,000,000, at least \$200,000,000 must be used for state road and bridge projects and up to

1 \$100,000,000 may be used for local matching requirements for county bridge projects. The
2 department of transportation shall allocate, to the extent possible, the county bridge funding to
3 all areas of the state. The office of management and budget shall transfer \$17,000,000 of the
4 appropriation authority identified in this section to the state treasurer for distribution to
5 townships for road and bridge projects as follows:

- 6 1. In January 2022, the state treasurer shall distribute \$8,500,000, or so much of the sum
7 as may be necessary, to non-oil-producing counties for the benefit of the organized
8 and unorganized townships within each non-oil-producing county. The distribution to
9 each non-oil-producing county must provide for an allocation to each organized and
10 unorganized township that is proportional to the number of township road miles in
11 each organized and unorganized township relative to the combined total township
12 road miles in all the organized and unorganized townships in all the non-oil-producing
13 counties. The township road miles must be based on certifications provided to the
14 state treasurer using roadway mileage criteria from the department of transportation.
- 15 2. In January 2022, the state treasurer shall distribute \$8,500,000, or so much of the sum
16 as may be necessary, to non-oil-producing counties for the benefit of the organized
17 and unorganized townships within each non-oil-producing county. The distribution to
18 each non-oil-producing county must provide for an equal allocation to each organized
19 and unorganized township within the county.
- 20 3. The amount allocated to organized townships under this subsection must be paid by
21 the county treasurer to each organized township. The amount allocated to
22 unorganized townships under this subsection must be credited by the county treasurer
23 to a special fund for unorganized township roads.
- 24 4. The distributions under this subsection must be used for the maintenance and
25 improvement of township paved and unpaved roads and bridges. A township is not
26 eligible for an allocation of funds under this subsection if the township does not
27 maintain any township roads.
- 28 5. For the purposes of this section, a "non-oil-producing county" means a county that has
29 received no allocation of funding or a total allocation of funding under subsection 2 of
30 section 57-51-15 of less than \$5,000,000 for the period beginning September 1, 2019,
31 and ending August 31, 2020.

- 1 **SECTION 8. EFFECTIVE DATE.** This Act becomes effective December 1, 2021.
- 2 **SECTION 9. EMERGENCY.** This Act is declared to be an emergency measure.
