

2013-15 BIENNIUM DISTRIBUTIONS TO POLITICAL SUBDIVISIONS -
OIL AND GAS GROSS PRODUCTION TAX COLLECTIONS

Distributions of the oil and gas gross production tax to political subdivisions reflect production from two months prior. For example, June 2014 distributions of oil and gas gross production tax collections relate to April 2014 oil production. Distributions to political subdivisions pursuant to the new formula in 2013 House Bill No. 1358 became effective with July 2013 oil production and September 2013 distributions. As a result, this memorandum reports the distributions to political subdivisions for the period September 2013 to August 2015 to reflect 24 months of distributions based on the new formula.

DISTRIBUTIONS TO HUB CITIES AND HUB CITY SCHOOL DISTRICTS

The schedule below provides information on the distribution of oil and gas gross production tax collections to hub cities and hub city school districts for the period September 2013 through June 2014. Hub cities receive a monthly distribution of \$31,250 for each full or partial percentage point of private employment engaged in the mining industry and a distribution from 9 percent of the amount allocated to counties that received \$5 million or more in the most recently completed state fiscal year. Hub city school districts receive a monthly distribution of \$10,417 for each full or partial percentage point of private employment engaged in the mining industry. The percentage of private covered employment engaged in the mining industry for the hub cities is: Williston, 43 percent; Dickinson, 21 percent; and Minot, 6 percent.
